When I saw you at my wedding, I wish i would took a bunch of pictures with you in my arms so I could revisit that moment with you forever. I just knew one day I would've been able to hold you in my arms again once you got bigger but.....I hate that I can't take this pain away from your mom and your grandparents 💔 but knowing that your in the arms of God gives me great peace. To the Collier, Maloney, Hubler and what I used to know as the Myles family I am always here for you if and whenever you need. It sucks that I'm so far away but my prayers are forever near.....take this one day at a time and don't let anyone give yall a time limit on grieving.....i love yall.....
