“ *To the family of Albert Shiver*

I'm so sorry for your loss of your mother for she will be missed from this earth going to her heavenly home to be with her King the Lord and Jesus Christ, for she was a character and amusing as well. But children, sisters, and brothers don't forget the good times that you had with her. I will truly missed her myself. For we had some good times while we could get together, but all in all she was one of a kind.

Let the Lord strengthen your hearts, and your minds for she is only a mile away---but she will always be there in spirit to watch over you all and you can always visit her to the gravesite, for she was tired and sick of hurting---for there will be no more pain and weeping for she is with the Lord Jesus Christ in his garden.

“ *I am sorry to read about your family's loss. Please accept my condolences. May the God of all comfort be with your family during this time of grief. We can also gain comfort from the Bible. God has promised to resurrect our love ones who are sleeping in death and to do away with pain, suffering and death forever.*

My thoughts and prayers are with you, Tory, and all of the family. God is our refuge and our strength, a very present help in time of trouble.
