The videos and pictures are priceless, it displays your true family connection and is heartwarming to see. You are truly blessed to have had your baby, "Pooh Bear", for 34 years, but we all know that is just way too short for any parent, family, or friends to have to endure. May Jehovah continue to bless and keep each and everyone of you. Know should you ever need us we are here! Much Love and Sorrow. Rob, Tracie, Robyn and RJ Presley.

“ *To Pooh & Family!*

From: Your Boy Stro!

*Whus up Big Pooh! This is for you & your family. For them to keep in their hearts. If at times you're overwhelmed with a feeling of despair, life's problems & cares just to much. Take them to the lord in prayer. He knows our every problem and he is always there. The Holy Bible tells us to cast on him our care. We are proned to make or wishes known and to want our answers now, but God time table is not ours. He decides when and how. When we have done all we can no longer see our way. We know he's there to hear our prayer. So we'll bow our heads and pray. Don't look at it as you lost a son. Look at it as God gained an Angel to carry on!!!! Luv you!!!
