“ *Dear Family of Beulah,
My name is Verona (Elliott) Missick. I am related to Beulah's husband Arlington. His mother Luanne and my grandmother Ida Burnside were sisters. I am in the process of compiling my family tree and found out about Beulah's death from an Ancestry post. Please accept my sincerest sympathy on the loss of your loved one. I would love to connect with any of her survivors who may wish to connect with me. I am on Facebook as Verona Elliott. I pray that God grants you the strength and endurance as to go through this time of sorrow and grief.
Regards,
Verona (Elliott) Missick*
