“ Thinking of you dear cousin Beverly Jean, one year has passed since you've been gone. Things are not the same...in so many places. You are truly and dearly missed. We have not and will not forget you, your laugh, your smile, your style and grace, or your love you so graciously poured upon others. Your Legacy lives on....it definitely lives thru me, with the things you taught me, the things you gave me, the things you told me and the things you showed me, thru letting your light shine so brightly. I miss u calling me up to check on me when I was living far away....it's crazy now....I am living right here in town and you have gone on to Glory! Your Homegoing was a beautiful celebration and your earthly vessel, wow....you looked as sophisticated as always...in your beautiful suit, gloves and hat! "You go on Church Lady!" Style and Grace intil the very end. I wont ever forget you cousin...we shared some good times, talks laughs and some tears. I am grateful for my time spent with you!!! Rest in the Lord my dear....see u when I get there!!!
Love always, Cousin Tracy a.k.a. "Jelks" (as you liked to call me)

“ Dear Cousin Beverly, I am thinking of you and remembering the days of love and laughter we shared. Despite the age difference we had, we shared a very special bond. I will cherish each memory of you, along with your smile and your poise and charm, for all of my days. Thankful for the life that you lived, and for the mentoring you gave me, to inspire me to be the woman that I am. You were a good person to have on my team, for that I am forever grateful. Thank you for your Legacy, it lives on thru myself and many others who knew you. My thoughts and prayers continue to be with the family. We will continue to trust God, knowing you are in a Heavenly Home now, where the Peace of God reigns forever. I love you and I look forward to seeing you at the "Real Family Reunion!"
