“ My most sincere condolences to the family. May the words found in John 5:28,29 eventually bring you a measure of comfort: “The hour is coming in which all those in the memorial tombs will hear his voice and come out.” That means that Jehovah God will remember our dead loved ones, and will restore them to life. What a comforting hope...

“ *My Heart is beating, but not as strong so late it started beating faster knowing you're walking through the gates. You gone never forgotten and smiling from above i can still feel the warmth of your never changing Love. Enjoy my heart the visions i see of you dancing on streets of gold, I'll see you again only God knows when but your heart i'll always hold. Rejoice In Heaven Grandma Rejoice* ”
