“ *Friends are God’s way of letting you pick the family you want. I can’t say who picked who first, all I know is that we never let go. I can say this for certain, he blessed my life every time we spoke or spent time together. I can’t remember a conversation that ever ended without him reminding me that he loved me and that I should take care of myself... that is not something you can say about many people. He will live on as long as we share his memory...*
