“ *May God's peace forever keep you comforted. Judy was my childhood friend, and her loss is felt deeply. As reflections , she had the best birthday parties that the west side of 8th street could give. (smile) We grew up understanding what it meant to be family/friends. Our family and The Feagan family shared many pinics and holiday outings to the movies and drive-in in Gifford back in the day. Our easter egg hunts, winnie roasts, marshmellow roasts in the woods with our families will always be remembered with a warm heart. As we grew older and went on our separate ways, Judy was a beautiful fashionable woman, and I'd always tell her she looked like a model. Love always, Paula "Ausby" Dudley.*
