My God! Only He can understand what my heart is experiencing as I deal with your departure. You were a great nephew/brother, my friend, my confidant. It hurts so much to know those times are no longer on this side of life. But bet this, when I get to heaven, you're invited to my mansion for a reunion!! 😊

We will continue to pray for and lift up your family that you loved so much. You served them well!!!🙏

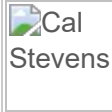

I love you very much and I'll see you when God says so❤️ You're living now!! Shalom

“ Kendra,

"What moves through you is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why Fabian left this earth so soon, or why he left before you were ready to say good-bye, but little by little, we begin to remember not just that he died, but that he lived and that his life gave so many people memories too beautiful to forget".

“ *To a Brother in Christ
Never has one seen So Much Faith, Endurance, Power and
Authority as My Brother Minister Fabian. For the short period of time
that I grew to know him. I was able to witness God's Anointed
Power on his life. Though his physical is no longer, his spirit will
ever rest upon those who know God's Word is true and has All
Power, because they knew Minister Fabian. Save in the Arms of
Jesus my Brother*
