“ The one vivid memory I have of Mrs. Hattie other than her getting on to my bad butt when I was a young knucklehead running around the projects, she always had a warm smile and even warmer greeting for me. Any time she saw me we would always laugh about how bad me, her sons Don, Kelly and Boone were. As it is with all wonderful human beings who once graced the earth with their presence and transitioned on to the next life, she will be sorely missed by all who knew her and especially by those she gave life to and her loved ones. Rest in power and in love, Mrs. Hattie. Teddy Owens
