I thank God for my brother Jermaine. I thank God for the time we spent together. As we got to know each from being apart so long. Finally getting to know you, I really appreciate our talks and your advice. I will never forget you, your smile, and you always telling me at the end of every call I love you sis. You were so special to me. I love you so much. I know we may ask why so soon. But I know that God knows best. I love and May God rest your soul. Amen. (P.S. Daddy, Rodney, Mickey, Eric, and Kim, will miss you dearly as well and we love you.) Until we meet again.....
