“ Grief is a natural response to loss, and some of you may feel as if a part of you has gone with Ned, but the good thing is that a part of him will always be with you. So, although today may be a little difficult for you now, continue to look to the hills from whence cometh your help, for your help cometh from the Lord and He will never leave you nor forsake you. To the Parkers and Kings I will forever cherish the fond memories I have of Ned, even the teasing I endured from him in my younger years. God bless and keep you is my prayer. Allow the joy of the Lord to be your strength for he is able to keep you from falling. Love you

“ *I remember Mr. Ned from our coming together to build our self-help homes in whispering palms!. He was like a Uncle to me. When he would see me in Gifford he would always check on me and say..." boy take your mama car home!" To the family Ms. Evelyn, Eugene, Sabrina, and Joe my heart. Sings of joy because he's with our father Jesus.... who knows best in all thongs! Rest in heaven Mr. Ned!*
