*Mom, A part of my heart is with you in heaven. Can't believe you have been gone a year. Words just can not express the love I have for you. I miss you so much mom. You were my everything. You watch me take my first breath and I watch you take your last. It was beautiful, yet heartbreaking. We will see each other again. So proud of you mom. You fought a good fight til the very end. Letting you go was the hardest thing I ever had to do. But I understood. God needed another beautiful angel, and that was you. Til we met again mom. With ALL my heart, I Love you so much. May you rest in peace, because the work you did on this earth was done. It was indeed a Job Well Done. Love you Mom, but God Loves You more. He is and was in control.*
