“ *Hope'May has been my mother-in-law since I was 17yrs old a few moths shy of my 18th. We have had our rough patches, but she always said she loved me, she loved how I loved her son, and loved the bond we shared. She knew how much I loved and cared for her. I AM missing her, will forever miss her, as she has taught me alot. I'll certainly miss her prayers and the way she always uplifts my spirit when it's off. I am just happy that she knew how much we loved and appreciated her while she was here with us. The memories will FOREVER live on. She will be a constant conversation in our home. SIP peacefully Ms. Mac 🌸*
