“ Monica, Monica, monica..... my heart is very heavy right now girl. I have a pain in my stomach I can't describe. You was not only my friend, you were my sister. I hate you had to go so soon before I had a chance to say goodbye!!!! Today I found out you are no longer with us, but in our hearts & spirit you will all ways remain. I sware it hurts so bad...I was hoping to see u again to reminisce on our child hood memories, i remember you my sister Ashley & my self would come up with these dance routine's, because we wanted to be dancers, then we changed our hobby into a baby sitting club, at my sister Tonya house, if you see her up there tell her I said I love her very much....Monica until we meet again sleep on my sweetie, you will forever be missed by me, & if never told you I love you!!!!
