“ I remember chasing Mike around the block bc he made me so upset. Lol. If I had the chance to do it again, I'd run faster. Soooo many memories of him. My heart is so bittersweet bc he hurt badly and now can rest. But I miss his voice...

“ I am very sorry to read of your untimely loss. The death of a loved one is perhaps the most devastating experience one can face. Although, it can seem unbearable, the Bible assures us that our Heavenly Father Jehovah is near the brokenhearted. He promises that he will sustain you. (Psalms 34;18 and 55:22) Perhaps, in time, that fact could help you cope with your severe loss. In the meantime, may the love and support of dear family and friends comfort you.

“ Years of being the only child and finally got my wish of not just being a little sister but being able to make memories with my big brother. I remember you stayed with me for awhile and turned out to be the worst roommate but you never let a day go by without letting me know you loved me and you were so happy we were finally together. Thanks for holding my secrets, being my protector, and spoiling your niece the little while we had you. I'll never forget you ❤️

Lol Mike made my life a living hell! But some how you couldn't help but to love and care for him. Too much time passed that we did not speak so I cherished every moment that we had. He will never be forgotten.
