“ Nichelle,

I just now found out about Ron, I last spoke with him sometime before the Holidays last year. I was at a car show today at a park off of Spyglass and saw Chris working there, he had asked me if I had heard about what happened to Ron, I said no, I was just on Aurora road and Croton and saw Ron's truck heading home, I waved. He than told me that he had a Stroke and passed away. I so very sorry that I didn't get to hear of it or I would have gone to his Funeral. He was a great Friend, a Best Friend to me. I had a bag of Cajun Peanuts for him before the Holidays and spoke to him about picking up some scrap metal. Tammy and I want to send our Condolences to you and your Family. If we can do anything to help out, please let us know. I'll never find a better Friend, and or Neighbor as Nice as Ron was, and always will be! Anytime that you asked him for help, he would be there to help. He was a good person, and a hard worker! Will miss him very much.

*Our very best to you and your Family,
Craig & Tammy Friedman

*Uncle Bubba, words cannot express the hurt we are feeling right now. We may not understand it now, but by and by we will. We know that God is too wise to make a mistake and that our lives are predestined in our mother's womb. To say that we love and miss you, is an understatement. We got your family and we will take care of them for you. I know this is what you would want us to do. Rest on baby, until we meet again.
