I am so sorry to hear about the lost of a good person such as Stanley..... It is hard to say good bye...or see you later....we had great life talks on the phone....and if anyone who knew him....he was long winded..... Before he met his true love....he would always be at me.....he said since our parents didn't work.....maybe we could...I said as friends only.....I had so much respect for him....he was a diamond in the rough.....but I'm so glad he found true love before he passed.....when I saw that he had a new girl I hit him up and congratulated him....I asked when is the wedding and he said soon.....I was so happy to hear he found true love.....may God bless and comfort the family as this time of sorry...thank you Lord for the opportunity to meet a special Angel.....love you Mr. Stanley Brundige.... RIP...RIH

“ Few years ago, I was blessed to have met Stanley at the Gifford Youth Activity Center. He was one of the first young men that I hired for the Frontline Program. His love for the youth in the Gifford area was palpable. We stayed in touch over the years since.

Few months ago, he played at my daughter's graduation party in Fort Pierce. The young people said he was the best DJ in the area. His "Free-Style" of playing set him apart. A great human being.

Rest in Peace!
