“ I first met Thomas in dania Florida where I grew up . He was 28 and I was 19. We became good friends before we became romantic. My family loved him very much. We had one child together Ebony. As life goes by we split but I always loved this man he is a perfect gentleman. 13 years later I found him living here in vero we soon married oct 15 2005. Ebony got to know her father again for 13 years before he passed. Thomas got a chance to reunite with his son from Germany Thomas Weiss in 2015 we all had a good time getting together. Even when we devorced we remained close friends till the end. I believe in my heart that God was pleased and called him home to rest. I'll love pee wee always
