“ *Dad
It's been 3 yrs today that you were called home to be with our God. Oh how I miss you Lord knows I do 😭. If I had only one wish it would be to tell you over and over again how much I love you until you say as you always do, stop it Mara but I know you loved me just the same even a bit more. Rest in peace daddy until we meet up again and I will ALWAYS love you ❤️*

“ Dad,

I thank the most high for allowing us to spend 37yrs. together. I am fortunate to say that I have always admired your witt in regards to remaining solid when it came to my upbringing. You never folded you were always there from my younger years until my adulthood and I definitely appreciated you for that. You were a great grandfather to your grandkids as well, they knew what you represented. I miss you so much dad , but I know there will be no more pain and suffering for you and only you knew what you were going through , you just continued to fight for me because you knew how much I loved you
