“ Vanya was a positive person. Vanya as a child loved being everywhere with her mother and grandmother. Vanya didn't let people get to her. She always spoke up for herself. She will be missed. She doesn't have to suffer anymore. Her love of cooking she learned from her mother and grandmother will be missed. God saw that she needed to crossover. She stuck by her mom until she couldn't do for her anymore. Her mother was with her daughter until the end. My prayers are with Mrs. Mamie Jones her mother. You aren't gone, Vanya. You left memories for others to talk about. R.I.P.
