“ Despite all that William went through, one thing was for certain; Whenever he saw his mother and father, he lit up like a light with that big beautiful smile. You gave him so much joy and happiness and you were always there supporting him. So I pray that with God and the great memories that you shared with baby William, you will continue to fight on. Know that you are surrounded by people who love and care for you.

We love you,
Jamila, Jimica & Curtis Wright
